<b>DEFENDANTS' SECOND UNOPPOSED MOTION FOR EXTENSION OF TIME</b>
--

---

Defendants hereby move for a second extension of time to file a brief in support of their motion to dismiss. This motion is unopposed. In support of this motion, defendants assert the following:

1. This action is brought by a prisoner in a Pennsylvania state correctional institution claiming prison officials and staff retaliated against him for conduct protected under the First Amendment, including submitting requests to staff, grievances, a Right to Know Act Appeal and a mandamus petition. The prisoner also claims of violations of due process.

2. After service of plaintiff's amended and supplemental complaint on the newly named defendants, the defendants filed a motion to dismiss. Pursuant to Local Rule 7.5, defendants brief was originally due on December 5, 2011.

3. Defendants sought and were granted an extension of time until December 19, 2011.

4. Defendants' counsel has been working on the brief and has completed a substantial portion of it.

5. Counsel had planned to complete the brief today after depositions in Monroe County in another case. Counsel had expected the depositions to be completed by early afternoon. The depositions went longer than expected and counsel did not return to Harrisburg until 7 PM, too late to complete the brief.

6. Accordingly, defendants seek a one-day extension of time to file the brief, or until December 20, 2011.

7. This short extension of time will not substantially delay this case nor will it prejudice the plaintiff. Plaintiff does not oppose the extension.
